That is correct. Our hosts have let us know they will be providing us with ear plugs and safety glasses.

I'm not sure about the level of cleanliness of this plant (although it's supposed to be one of the more advanced), but I would say based on previous tours darker colors are better to wear than lighter.

Hi Angela

I don't think I will be joining this time. Typically, the only requirement is for closed toe shoes. Have a good time.

Jackie
